NOAA West

- **Kevin Werner, Chair, NOAA – National Marine Fisheries**
- **Veva Deheza, NOAA Oceanic and Atmospheric Research**
- **Roger Pierce, Federal Liaison, NOAA – National Weather Service**

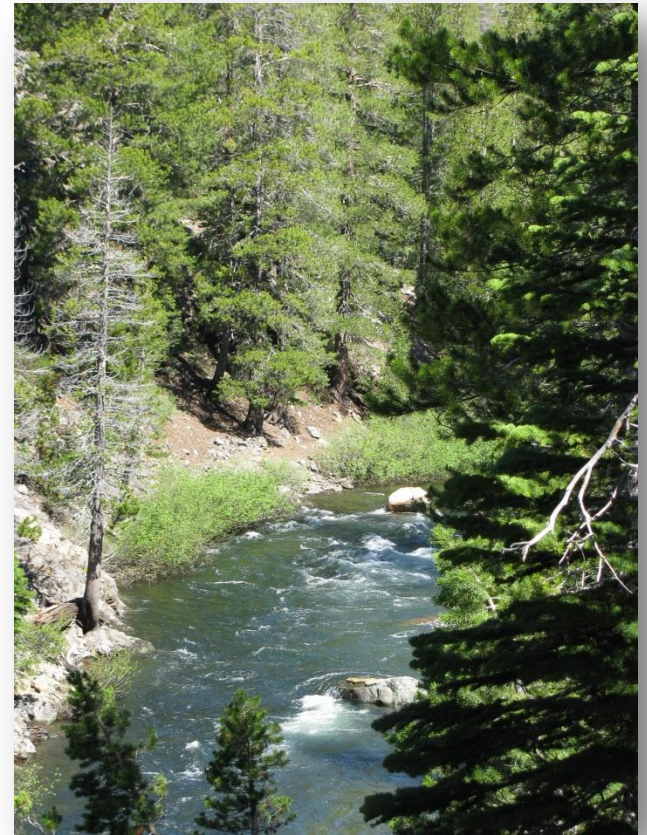

- **Western States Water Council**
- **California Department of Water Resources**
- **NIDIS**
- **Sea Grant**

- National Weather Service
- National Oceanic and Atmospheric Research
- NOAA Ocean Service
- National Marine Fisheries Service
- Office of Marine and Aviation Operations
- National Environmental Satellite and Data Information Services

Projects of Interest

- **Coordination across NOAA**
- **Working with Sea Grant and supporting coastal programs leveraging across all of NOAA – coastal ecosystems and would link with states**
- **DEWS and NIDIS support – water issues**
- **Seasonal to Sub-seasonal Forecasting**

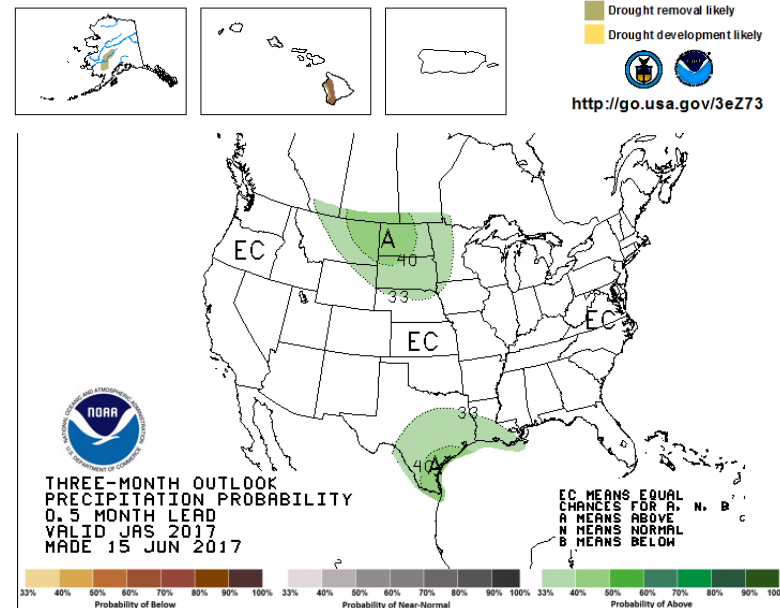

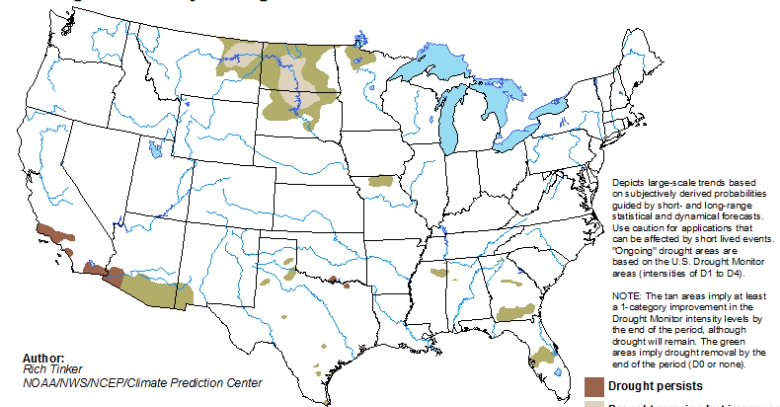

One Project of Interest

Seasonal to Sub-Seasonal Forecasting

- Build on the Weather Bill HR353
- Ensure requirements are in place to meet the Federal, state and local customer needs
- Work with NOAA/NWS Climate Prediction Center to improve the quality and usability of their forecast products
- Support the research community
- Support work with other drought and related programs, such as NIDIS and DEWS

U.S. Seasonal Drought Outlook Valid for June 15 - September 30, 2017
Drought Tendency During the Valid Period Released June 15, 2017
