

WESTERN STATES WATER COUNCIL

States-only PFAS Roundtable

January 18, 2023 1:00 pm - 3:00pm (MT)

Please register [here](#) to receive login details.

Roundtable goals

- Provide states an opportunity to discuss PFAS issues and initiatives
- Share strategies and examples of successes including state-led project examples for using IIJA emerging contaminant funds
- Identify resources needed by states to overcome barriers to implementing PFAS initiatives

Agenda

1:00 pm	Welcome, introductions, and ground rules (Erica Gaddis)
1:10 pm	Roundtable goals and introduction of WSWC PFAS subcommittee (Jennifer Zygmunt, Wyoming DEQ)
