

# **CONTINUING LEGAL EDUCATION (CLE)**

Attorneys admitted to the State Bars of Colorado and Utah who attend all segments of the Symposium may count up to 7 hours of Continuing Legal Education credits (no ethics hours). Those who attend only a portion of the Symposium may claim a lesser amount.

Attorneys admitted in other states generally must submit the Symposium agenda, written materials, certificate of attendance, and a completed application form to their respective State Bar Associations for accreditation. The total number of hours awarded by the respective states may differ. An application fee may also be required.

Please contact Michelle Bushman, Deputy Director and General Counsel, Western States Water Council, [mbushman@wswc.utah.gov](mailto:mbushman@wswc.utah.gov), if you need a copy of the sign in sheets with your signatures for credit in your state.
